THE VINEYARD:

The dense clay and limestone of this vineyard (on a hill overlooking an ancient Roman Terraced Quarry) provide an environment for these 60+ year old vines to create a dense and concentrated expression of Merlot.

Since our first vintage from this site in 2016, we have noticed that La Colline continues to produce a consistently vibrant acidity regardless of vintage. the structure is quintessential Merlot.

WINEMAKER NOTES:

Our 100% Merlot 'lieu-dit' from the top of the plateau in Saint-Émilion, is dense, dark and spiced, unlike what most people think Merlot would be. It is structured, mineral and wildly aromatic. Drink now (with a healthy decant) through 2060+.
