FRENCH OAK

CASE PRODUCTION:  
70

VINEYARD:  
SEAVEY VINEYARD

ALCOHOL: 14.9%  
BOTTLED: MAY OF 2023

Our 2021 Petit Verdot comes from a historic site alongside the Silverado Trail; the iconic Seavey Vineyard. This property dates back to the late 1800s and continues to produce excellent fruit.

Our winemaker, Marc, decided to use only gentle hand punch downs during fermentation. This lighter extraction method helps to retain silky tannins in the wine. This technique has also led to a lifted, floral wine with notes of boysenberry and vanilla. The 2021 vintage is drinking beautifully now and will continue to develop and express more of its tertiary nuances over the coming two decades.
