Our second Sauvignon Blanc vintage from Farfalla Vineyard in Dry Creek Valley.

We vinified this wine with New French Oak Barrique 21%, Used French Oak Barrique 21%, New French Oak Cigar Barrique 16%, Used French Oak Cigar Barrique 16%, Amphora 15%, and New French Acacia Barrique 11% + we bottled an entire month and a half early to capture freshness,

Tasting Notes: Gorgeously complex on the nose for such young fruit, the 2022 Sauvignon Blanc's minerality, florality and spice can present itself alongside some of the best Pouilly-Fume and Sancerre (but with the fruit intensity of ripe dwarf white nectarines that we love so much about Californian Sauvignon blanc). The palate demonstrates an impeccable balance between freshness, acidity, breadth and alcohol through the harmony of the several aging vessels employed.
